

Application Guidelines 2009

EANS Spine Fellowships Sponsored by Synthes

Please send the form overleaf electronically, together with your curriculum vitae and a copy of your operation log book in spinal procedures, along with a personal statement demonstrating dedication to spine surgery, academic achievements with regard to spine including publications, teaching and congress contributions, rationale for applying for the specific short term fellowship, the way in which any skills you will learn on the fellowship will be applied in your daily practice and/or that of your unit, and details of your competence in the relevant language (English, German or Dutch) by September 30th 2009 to:

Ms Bea Riley, Course Co-ordinator, European Association of Neurosurgical Societies
beatrice.riley@eans.org; tel: 0032 487 763 120

Please also send a separate statement detailing your first, second and third choice of host clinic in which you would like to complete your two month fellowship. The host clinics participating in this program are:

- Inselspital Bern, Switzerland
- Klinikum rechts der Isar der Technischen Universitaet, Munich, Germany
- Orthozentrum Munich Schoen Klinikum, Germany
- Orthopaedische Klinik Markgroningen GmbH, Germany
- Queens Medical Centre Nottingham, UK
- The National Hospital for Neurology and Neurosurgery, Queen Square, London, UK
- Leeds General Infirmary, Leeds, UK,
- LUMC and Medical Centre, The Hague, Netherlands

Candidate selection will be made by members of the EANS Spine Education subcommittee and approved by the host clinics involved. Any questions should be addressed to Ms.Bea Riley, EANS Course-Co-ordinator – contact details as above.

EANS Spine Fellowships sponsored by Synthes are open to individual members of the EANS resident and practising neurosurgery within EANS member countries. .
